How to Setup eBizCharge ACH Account for monthly 1place ACH Payments

When you purchase **1place** products & services we ask you to allow us to collect the 'startup' costs (usually spread over 12 months) and on-going 'monthly subscription service' costs via ACH.

These are the steps to set up the **ACH** connection:

- We send you an email request from our eBizCharge system.
 - You will receive an email from **EBizCharge Virtual Terminal**.
 - Click the **Add Payment Method** button.
 - Click the **Add a Bank Account** tab.
 - Enter Your **Name**, **Bank Routing Number**, and **Bank Account Number**.
 - NOTE: eBiz will provide a secure connection enter this information and will store the information in their PCI Compliant data center.
