

PartsTrader - 1place Integration - How To's

Last Modified on 08/19/2026 11:05 pm EDT

Features & Benefits of the 1place PartsTrader Integration

1place has an optional PartsTrader LIVE integration that provides a way to:

- Store PartsTrader Customer ID's in 1place (on the Customer Detail API tab)
- Auto quote items which have stock on the PartsTrader Platform (without having to manually quote each item).
- Auto receive PartsTrader Quotes into 1place (when enabled).
- Auto receive PartsTrader Sales Orders into 1place.

Startup & Monthly Costs to Setup and Host the PartsTrader Integration

- \$1,200 to Start.
- \$120 a month for Hosting, Support, and Updates
